Bulletin #2010-009 16 – December - 2010

Subject:
License fee increase

Overview:
Effective 1/11/2011, the following rule changes go into effect:

1. Replace Article 2.1.D.1 with the following:
    1. The fee for a Regional Rally License is $125.00 ~~$100.00~~ and may be used for driving or co-driving duties.
2. Replace Article 2.1.E.1 with the following:
    1. The fee for a National Rally License is $250.00 ~~$200.00~~. There is no credit for mid-season upgrades from a Regional License to a National License.

Rationale:
The license fee covers the administrative costs related to maintaining competitor's files and offsets the participant accident insurance premium. While costs have steadily increased, the license fees have not changed since 2006 (when they were actually decreased from 2005 rates). We do not intend to raise them again for a number of years. These Regional and National rates reflect an increase of about 5% per year over 5 years.

Questions regarding this bulletin received by Rally America from licensed Drivers and Co-Drivers will be answered in writing.
